SKIN PERFUSION

PRESCRIPTION SKINCARE

BEAUTY IS AN ART WE MADE IT A SCIENCE

40 YEARS IN SKIN QUALITY

Skin quality is our everything. Our prescription skincare range, SKIN PERFUSION, has been specifically developed to deliver post-treatment skin care and enhance your in-clinic medical treatments.

Our SKIN PERFUSION range is personalised with a 'tailor-made' prescription, custom-designed for your skin. These medical-grade products, developed from years of research, use high concentrations of pure ingredients with scientifically proven results.

Ask your skin expert to prescribe SKIN PERFUSION and let your skin glow.

SKIN PERFUSION offers a 360-degree approach to great looking skin. Working in combination with treatments delivered by your skin consultant, the range uses an **8-step treatment protocol**, prescribed just for you.

1 CLEANSE

Start your routine by removing any unwanted build-up which gives you a blank canvas to work with.

2 PEEL

Encourage new skin growth to generate a brighter, better complexion.

3 RENEW

A weekly routine to help renew and replenish with a boost of active ingredients to keep skin hydrated for longer.

4 TARGET

Target skin concerns to intensely treat or maintain skin quality depending on your needs.

5 BEAUTIFEYE

Treat the fragile skin around the eye area to reduce lines, puffiness and dark circles.

6 REVITALISE

Moisturising every day is important to keep your skin hydrated and healthy even under make-up.

7 PROTECT

Take care of your skin by protecting after a treatment. Protect from sun exposure and know how to soothe if irritation occurs.

8 NOURISH

Take care of your skin as it's the largest organ we have - soothe, calm and hydrate our whole body.

CLEANSE

Cleansing the skin is an important part of any skin care routine. Make-up, SPF protection and a build-up of environmental factors need to be removed to allow our skin to breathe.

Pro Tip:

Do a 'double cleanse' once a week to make sure all impurities are removed. For best results we suggest using CLEANSING OIL followed by MICELLAR WATER.

CLEANSING OIL

200ml

This cleansing oil effectively removes waterproof make-up from the face, eyes and lips leaving the skin perfectly clean and comfortable without any tightness.

Active Ingredients:

Gentle make-up removing agents / Complex of soothing oils

Application:

Use on dry or damp skin and massage face, neck and décolletage thoroughly before rinsing with water. Can be used morning and night.

MICELLAR WATER

200ml

Ideal for sensitive skin, this micellar water removes make-up from face, eyes and lips leaving the skin perfectly cleansed & refreshed with an instant cooling effect.

Active Ingredients:

Complex of 3 gentle surfactants / Niacinamide / Moisturising agents

Application:

Apply to cotton wool, wiping face, neck and décolletage thoroughly. Can be used morning and night.

CLINICAL RESULTS MICELLAR WATER

ACTIONS

With its ultra-gentle formula, the Micellar Water is specifically designed to effectively cleanse all impurities and remove make-up from the face, eyes and lips. Enriched with Niacinamide, a powerful soothing agent, and thanks to its ultra-cool formula, it instantly & durably soothes the skin. Fresh, purified and soft, the skin feels prepared for a complete skin care regime.

RESULTS

95% Cleanses the skin gently*

86% Moisturising effect*

80% Soothes sensations of overheating*

80% Instantly calms the skin*

* User test on 21 subjects - twice-daily application for 28 days, % of satisfaction

PEEL

Peeling our skin on a regular basis encourages new skin to come through which reduces the appearance of imperfections, such as fine lines, pigmentations, dullness and sagging. It also gives a brighter, refined, more even complexion.

Pro Tip:

Use PERFECTING SOLUTION before using GLYCO PEEL or after using the EXFOLIATING CREAM for an extra peel boost.

EXFOLIATING CREAM

50ml

This micro-polishing cream provides a mechanical exfoliation of dead cells on the skin surface. With a controlled exfoliating action to reactivate the cell regeneration process.

Active Ingredients:

Micro-polishing beads / Complex of 3 surfactants

Application:

Apply to damp skin. Gently massage beads around face, neck & décolletage. Use once a week or alternate weeks to Glyco Peel mask.

PERFECTING SOLUTION

200ml

This lightweight solution is formulated with gluconolactone, a gentle acid that exfoliates dead cells, reduces irregularities and leaves the skin fresh and clear.

Active Ingredient:

Gluconolactone 0.5%

Application:

Apply to cotton wool and wipe over face, neck and décolletage following cleansing. This gentle exfoliator can be used daily.

GLYCO PEEL MASK

50ml

Designed to combat dull complexions, fine lines and blemishes, this revolutionary resurfacing mask restores tone & radiance to reveal younger-looking skin.

Active Ingredients:

Glycolic acid 15% / Phytic acid 2% / Soothing comple

Application:

Using your fingers or a clean brush, apply to face, neck and décolletage. Leave for at least 20 minutes and rinse, with warm water. Can be used once a week or alternate weeks to Exfoliating Cream.

CLINICAL RESULTS GLYCO PEEL MASK

BEFORE (D0)

AFTER (D28)

+30% Even glow⁽¹⁾
-15% Wrinkle depth⁽²⁾
90% Even tone⁽³⁾
100% Smoother skin⁽³⁾

(1) Evaluation by dermatological scoring - 20 subjects - results obtained on the entire face after 8 applications over 28 days. (2) Profilometric evaluation - 20 subjects - results obtained on crow's-feet wrinkles after 8 applications over 28 days. (3) Self-assessment - percentage of user satisfaction - 20 volunteers - two applications a week for four weeks.

RENEW

Delivering a weekly routine of products to help renew and replenish the skin with a boost of active ingredients to plump, lift and hydrate. These products work hard to build and protect the water barrier of your skin, meaning your skin stays plumper for longer.

Pro Tip:

Add a sparkle to your eyes by using the EYE RECOVERY MASK **WITH** GR YOUTH MASK or HA YOUTH MASK.

Simply apply the EYE REPAIR MASK first then apply the HA MASK Over the top, or GR YOUTH MASK around the outside.

HYALURONIC YOUTH MASK

4 x 8ml masks

This soothing bio-cellulose mask is ideal for use after aesthetic procedures. With aloe vera, renowned for its restorative properties, it visibly smoothes the appearance of dehydration wrinkles and plumps the skin.

Active Ingredients:

Hyaluronic acid / Collagen / Aloe vera

Application:

Remove from foil package, unfold and remove white, square mesh. Place the mask on half of your face, then unfold. Pat down gently, then peel away the BLUE layer of the mask, to reveal a thin clear sheet. Leave for at least 20 minutes.

GR YOUTH MASK

50ml

This plumping mask is ideal for tired and dehydrated skin. It replenishes and plumps the skin's moisture barrier. This super creamy mask smoothes the appearance of skin's surface and improves its radiance.

Active Ingredients:

Shea butter / Babassu oil

Applications:

Using clean fingers or a brush, apply to face, neck & décolletage. Leave for at least 20 minutes. Rinse away with warm water.

EYE RECOVER MASK

4 x 5g masks

The EYE RECOVER MASK targets all signs of ageing. Thanks to its innovative & unique patch design specifically developed to cover the entire contour area, even the upper eyelid.

Active Ingredients:

3-Peptides / Collagen peptide / Provitamin B5

Application:

Remove from foil packaging. Apply to the contours of the eye and eyelid. Leave for at least 20 minutes.

TARGET

Target skin concerns with Daily Serums and Booster Serums, which intensely treat or maintain skin quality depending on your needs. Serums penetrate the deeper layers of skin and when topped with a moisturiser, will boost hydration, to keep your skin in great shape.

Pro Tip:

Use your Serum **UNDER** GR YOUTH MASK weekly for a boosted effect.

SERUMS

Application for Serums:

Apply only to the areas of concern. There is no need to apply the Serum everywhere. Use only what you need for best results.

AA-LIFT SERUM 30ml

Enriched with Collagen and Elastin peptides, AA-LIFT SERUM visibly enhances cutaneous firmness and skin elasticity. Thanks to Xylose, an essential sugar known for its anti-glycation properties, which boosts cutaneous tonicity.

Active Ingredients:

Collagen + Xylose 2% / Elastin peptide + Sorghum juice

BD-BALANCE SERUM 30ml

Ideal for combination to oily skin, BD-BALANCE SERUM visibly reduces the look of imperfections. Enriched with Salicylic acid and Zinc PCA, it diminishes the appearance of pores and smoothes out irregularities.

Active Ingredients:

Zinc PCA 1% / Salicylic acid / Beta-HBD3 2% / Plant Extract

HAB5-HYDRA SERUM 30ml

Enriched with Pro-Vitamin B5 (or Panthenol), HAB5-HYDRA SERUM enhances hydric balance and replenishes the skin's moisture barrier. With hyaluronic acid to efficiently smooth the appearance of dehydration wrinkles.

Active Ingredients:

Pro Vitamin B5 1% / Hyaluronic Acid 0.6% / Erthritol + Homarine

C-LIGHT SERUM 30ml

Ideal for dull and tired skin, C-LIGHT SERUM releases antioxidant benefits. Enriched with Vitamin C and HRH-14 Polyphenol used to activate the skin's radiance and illuminate the natural complexion.

Active Ingredients:

Vitamin C 2% / Vitamin H 0.1% / HRH-14 polyphenol

P-BRIGHT SERUM

30ml

P-BRIGHT SERUM visibly acts on cutaneous uniformity, reduces the look of dark spots and brightens the complexion. Thanks to the innovative combination of Phytic acid, Vitamin C, Arabino-xyloses β 1-4 and Papain-carbomer.

Active Ingredients:
Phytic Acid 1.5% / Vitamin C 2% / Arabino-xyloses B1-4 / Papain-carbomer

RE-TIME SERUM

30ml

Enriched with Vitamin A, a leading anti-wrinkle ingredient, RE-TIME SERUM acts on all types of wrinkles and visibly reduces their appearance. With Wakame 14G to revitalise the skin for a visibly looking rejuvenated face.

Active Ingredients:
Vitamin A 0.1% / Wakame 14G / Hyaluronic Acid 0.5% / Arg-lys peptide

TIME BOOSTER

3 x 10ml

TIME-BOOSTER* contains 0.3% retinol and has been clinically proven to diminish wrinkles. Retinol activity is balanced with soothing and hydrating agents such as Hyaluronic acid and aloe vera to bring comfort to the skin.

Active Ingredients:
Retinol 0.3% / Hyaluronic acid 0.5% / Aloe vera gel 5% (soothing agent)

LIFT BOOSTER

3 x 10ml

LIFT-BOOSTER contains 6.5% peptide complex and has been clinically proven to firm the skin. These ingredients boost collagen and elastin synthesis, both indispensable to maintain firm and plump skin.

Active Ingredients:
Peptide complex 6.5% (Elastin + Collagen) / Resveratrol 1% (antioxidant agent)

BRIGHT BOOSTER

3 x 10ml

BRIGHT-BOOSTER** contains 10% Glycolic acid and 2.5% Phytic acid known for their exfoliating properties and their action on reducing brown spots while also preventing the appearance of new pigmentation spots

Active Ingredients:
Glycolic acid 10% / Phytic acid 2.5% / Hexylresorcinol 1% (Melanin-block agent)

BOOSTERS (TARGET INTENSE)

Application for Boosters:

Press down on the pump and shake before use. Apply 1 pump to clean finger and apply to the area of concern. Repeat use each evening for 10 days. Open a new bottle and repeat until you have completed your 30-day treatment. We recommend you use this on cleansed skin following SKIN PERFUSION PERFECTING SOLUTION for maximum absorption.

HYDRA BOOSTER

3 x 10ml

HYDRA-BOOSTER contains 2.5% hyaluronic acid, known for its capacity to act as a water-catcher used to immediately enhance skin moisture.

Active Ingredients:
Hyaluronic acid 2.5% / Ceramide NP 0.5% (moisture lock agent)

BALANCE BOOSTER

3 x 10ml

BALANCE-BOOSTER** contains 2.4% Lactic acid and 2% Salicylic acid known for avoiding and diminishing spots and blemishes while zinc gluconate helps purify the skin achieve a mattifying effect.

Active Ingredients:
Salicylic acid 2% / Lactic acid 2.4% / Zinc gluconate 3.5% (sebo-blocking agent)

CLINICAL RESULTS BRIGHT BOOSTER

DAY 0

9 WEEKS

+40.7% Consistency of complexion⁽⁷⁾
92% Skin more luminous⁽⁸⁾
84% Brightening effect⁽⁸⁾

(7) Instrument-based study on 13 subjects. Score obtained from the cheek region after nine weeks. (8) Self-assessment - percentage consumer satisfaction - 13 volunteers - average age 56.4 years old - application of the BRIGHT-BOOSTER product in the evenings for nine weeks (twice weekly in the first week and then 3 applications in subsequent weeks). The product SKIN PERFUSION cream can be combined in the evenings. The same cream was applied by the subjects in the mornings. Results after six weeks.

* Start using 1 to 2 times a week. If no skin reaction occurs, extend to more applications progressively. Should be avoided by pregnant or breastfeeding women.

** Start using 1 to 2 times a week. If no skin reaction occurs, extend to more applications progressively.

BEAUTIFEYE & REVITALISE

BEAUTIFEYE your skin care routine. Treat the fragile skin around the eye to reduce lines, reduce puffiness, reduce dark circles and hydrate with an eye cream designed to target the signs of fatigue or dryness with high quality, powerful ingredients.

Pro Tip:

Apply around the mouth to help smooth out fine lines.

REVITALISE and help maintain the correct moisture balance to ensure your skin stays hydrated all day long, moisturiser works to plump your skin to reduce the chances of skin problems occurring.

Pro Tip:

Use B3 RECOVERY CREAM at night in place of moisturiser on top of a targeted serum for an intense overnight treatment.

BEAUTIFEYE

HXR EYE CREAM 15ml

Global anti-ageing eye contour with key ingredients addressing all signs of ageing. Hexylresorcinol diminishes the appearance of dark circles, Escin reduces puffiness & Arg-lys peptide smoothes the appearance of wrinkles.

Active Ingredients:

Hexylresorcinol 0.1% / Hyaluronic acid / Arg-lys peptide / Escin 0.5%

Application:

Apply a small amount to ring finger, dab ring fingers together for even distribution. Using a gentle tapping motion, apply around the contour of the eye, ensuring not to go too close to the eye itself. Move around the eye and into the eyebrow. Gently massage around the area until the cream disappears, ensuring not to drag the skin. Use morning and night for best results.

REVITALISE

5HP YOUTH CREAM 50ml

Suitable for normal to dry skin, combining global anti-ageing and moisturising properties. Vitamin B5 improves water balance and hydroxyproline stimulates collagen synthesis.

Active Ingredients:

Hydroxyproline / Pro-vitamin B5 1% / Oleo complex (argan oil + mango butter)

Application:

Apply a few pumps to clean fingers, work the moisturiser around the face and neck. Use morning and night if required.

6HP YOUTH CREAM 50ml

Suitable for combination skin, combining global anti-ageing and moisturising properties. Vitamin B6 generates a long-lasting mattifying effect and hydroxyproline stimulates collagen synthesis.

Active Ingredients:

Hydroxyproline / Zinc PCA + Vitamin B6 0.1% / Lentiscus 95 (antioxidant agent)

Application:

Apply a few pumps to clean fingers, work the moisturiser around the face and neck. Use morning and night if required.

PROTECT & NOURISH

PROTECT your skin against the sun, it's the best way to keep it healthy and reduce the signs of ageing. It's also important to understand how to calm, soothe and heal if irritation occurs.

Pro Tip:
SPF is **THE** main 'anti-ageing' prevention. Use it every day when going outside.

NOURISH every inch of your whole body with soothing, calming and hydrating **NOURISHING BODY BALM** to be used post shaving, post shower, anytime. Stimulate cells, by massaging into skin to help remove tension, reduce cellulite & eradicate toxins from the body.

Pro Tip:
The nourishing oils make a good base for massaging tired legs, feet and hands.

PROTECT

B3 RECOVERY CREAM 50ml

Soothing aftercare for aesthetic procedures, containing hydrating properties to protect sensitive and reactive skin from aggressions. Vitamin B3 boosts collagen synthesis and strengthens the skin barrier.

Active Ingredients:
Vitamin B3 1% + H-Urea 2% / [Rhamno- complex + Plant complex + Mirabilis Jalapa extract]

Application:
Use in place of a moisturiser with clean hands, for intense soothing, pro healing benefits. Apply post-in-clinic treatment or if the skin is broken, split, inflamed or burned. Can also be used on the body.

E-YOUTH 50 SUN CREAM 50ml

This UVA/UVB SPF 50+ sun protection contains vitamin E a powerful antioxidant and vitamin B3 that boosts skin regeneration. A water-binder agent creates a deep hydration reserve.

Active Ingredients:
UVA/UVB filters / Vitamin E + Vitamin B3 / Sc-Complex

Application:
Using clean hands, apply generously to face, neck & décolletage, even hands or exposed skin every morning. Remove before bed, using MICELLAR WATER or CLEANSING OIL.

NOURISH

NOURISHING BODY BALM 200ml

This silk-texture **BODY BALM** brings hydration and comfort to the skin forming a protective lipid film. The concentration in-oil complex provides nourishing and soothing actions.

Active Ingredients:
Gentle nourishing agents / Complex of nourishing oils

Application:
Apply generously to all areas of the body with massaging pressure. Can be used morning and night.
